

WEEKLY INTERNSHIP ASSIGNMENT 8

SCREENS EXPORT

[Github Pages > Runarok > GenAI-plus > Coursework > E-Commerce App Prototype](#)

Welcome

This screen introduces the application and establishes the brand identity.

Key Elements:

- App name (ShopMart) for recognition
- Tagline explaining core value proposition
- Central illustration to create visual engagement
- Minimal layout to avoid cognitive overload

UX Purpose:

- Creates a strong first impression
- Clearly communicates what the app offers
- Keeps user attention focused with a single message
